

# Once Dead Twice Born

Creative Arts Ministry

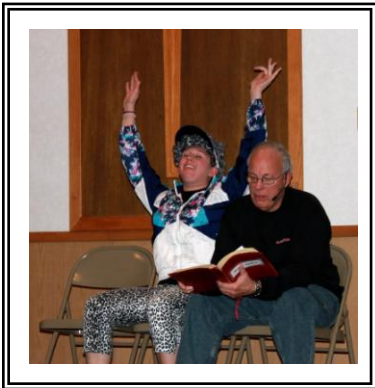

**\*EX-DEAD MEN: I was once dead, doomed forever because of my sins, but GOD raised me from the dead with Christ.  
-Ephesians 2:1-10**

Jesus preached, through the art of storytelling. He understood the importance of providing His audience with a visual. Most importantly:

**Jesus knew that our eyes remember more than our ears ever could.**

OnceDeadTwiceBorn is an international outreach ministry of Bethel-St. Paul Church in Louisville KY and we are accountable to her. But not all members attend Bethel-St. Paul. We are an inter-denominational group, united by our love of Jesus, formed to present the gospel in a challenging, exciting, and accessible way using drama, music, dance, mime and whatever category works to allow faith and funny to collide. We see our diversity as strength.

Our presentations are filled with humor, and are quite entertaining... But that is not our ultimate purpose. Our desire is to proclaim God's Word in a format that is clear, understandable, doctrinally sound, practical, memorable, and interesting--messages that change lives; both to the church and to the unchurched community. Creativity and drama will never replace the systematic exposition of God's Word by faithful pastors in local churches. Our desire is to offer programs that will supplement and enrich the Bible teaching ministry of the local church.

OnceDeadTwiceBorn exists to lead people into a deep, personal relationship with God, Who has revealed Himself in the person of Jesus Christ. To that end we commit ourselves to go where the people are, serve the leadership of the church and the community, live a life worthy of our call, love each other and those we serve

**Cost: Zero. Nada. Nothing.**

With few exceptions, we do not charge a fee but only ask that a love offering be taken to offset our expenses. We trust that God will provide for our needs.
